## **Congratulations to our Knight of the Month of October: Tom Schamper!**

(citation to read: Tom has been a constant helpful presence to our council during the very busy time to plan and participate in the October 2017 events. Tom supported Andrew Sugan, at our First Degree ceremony as well as planned and helped setup on our first Harvest Festival event. He came out to do signups for blood donations and supported planning for our big event scheduled in April 2018. Tom continues to step up and cheerfully work with his brothers on many council events. He encourages his grown children and their children to come to our council events. He lives the tenets of our order.)

## **Congratulations to our Family of the Month of October: Iwan, Dewi, Veronica and Francis Santoso!**

(citation to read: Iwan, and Dewi are active members of our parish. Iwan and Dewi are ministers of hospitality. Veronica was in handbell choir and both children were also ministers of hospitality before they went away to college. Iwan and Veronica supported our first Harvest Festival on October 14 by purchasing the materials for the dinner and preparing the dinner for over 90 guests. This was a great community building event for the Knights council. Iwan is an active member in our council. He supported the blood drive in October and Dewi (a doctor) is also active with the Health ministry at church. They were active for the blood drive.

Field Agent Report

For the good of the order:

Noted illnesses:

Noted deaths: Betty Carman, wife of Vinny Pierdinock passed away around 11/2/17. Services were held in Ohio. Vinny is the fellow who has been our Easter Bunny for many years. Betty would usually drive him and accompany him to the event. This year was the first year that we didn't see Betty. While he is not a Knight he has served the council over the years as our Easter Bunny.
